VO TECH CENTERS

WHAT ARE POSTSECONDARY VOCATIONAL TECHNICAL EDUCATION CENTERS?

In 1969, five centers were designated by the Montana State Legislature. The centers are governed and administered by the Office of Public Instruction to provide Montana people with vocational-technical training opportunities. Programs offered at each center are listed at the right.

WHAT ARE THE ENTRANCE REQUIREMENTS?

Any person is eligible who:
- is 16 or older,
- has completed formal education or left school,
- wants to study and prepare for entering, reentering, or advancement in the labor market.

WHAT DOES IT COST TO ATTEND?

In-state tuition: $80.00 per quarter, plus books and supplies. Out-of-state tuition is $300.00 per quarter, plus books and supplies. The tuition includes a $10.00 non-refundable application charge.

COLLEGES

WHAT ARE THE ENTRANCE REQUIREMENTS?

Entrance requirements vary among the colleges; therefore, prospective students should contact their counselor, the admissions office of the institution, or the college catalogue to obtain specific information.

WHAT DOES IT COST TO ATTEND?

The colleges are governed by statutes different from those governing the centers. Consequently, tuition and fees may vary. Contact your counselor or write to the admissions office at the college of your choice for further information.
